CENTRAL INTELLIGENCE AGENCY

Director, Office of Legislative Liaison

24 October 1984

NOTE TO: DCI
EX DIR

- o Tom Latimer said he had, with some effort, talked the Speaker's Office out of insisting that the GAO investigate the legality of the use of CIA funds to produce the manual (you recall that Speaker O'Neill said on TV that GAO should investigate).
- o They allegedly agreed, given the assurance that HPSCI was proceeding apace, not simply waiting for the CIA IG report.
- o Tom suggested that Duane Andrews (of his staff) contact Danny Childs to get information concerning obligation dates, vouchers and other financial data, to enable him to demonstrate good faith activity to the Speaker's Office.
- o [redacted] does not feel that this would interfere with the IG investigation and, in fact, said that OIG could furnish an auditor to help, if desired.
